Senior Java developer - Marketing team member @ eDreams-Odigeo (eDreams, GoVoyages, Opodo, Travellink, Liligo) January 2013 – Now

Currently working as a member of marketing development team, my biggest achievements on this role have been:

- **B2B API** Main backend developer of a Business to Business web-service SOAP API to expose booking flow core central platform functionalities, for other OTA partners hiding marginal profit. Inte-
